PARTNERS

Ministry of Education, Science and Technology

The Ministry of Education (MoE) was established in 1951 and was renamed as the Ministry of Education and Sports (MoES) in 2002. It was again renamed as Ministry of Education with the decision of Cabinet in 15 Bhadra 2065 BS. The MoE as the apex body of all educational organizations is responsible for overall development of education in the country. This Ministry is responsible for formulating educational policies and plans and managing and implementing them across the country through the institutions under it.

Ministry of Education/Department of Education, Nepal

Teach For Nepal partners with the Nepal Government to place its Fellows in under-resourced schools. The Ministry of Education values the innovative teaching methods and quality education provided by Teach For Nepal Fellows. The Center for Education and Human Resource Development (CEHRD), established in 2075 BS, oversees education policy and programs in Nepal. CEHRD was formed by merging the Department of Education, National Center for Educational Development, and Non-formal Education.
